

## **Club Championship Guidelines**

### **Before your play**

Arrive at the course a maximum of 40 minutes before your tee time.

Wait in the staging area until it is your turn on the range.

Proceed from the range to the practice green when advised.

Proceed to tee when called.

You will not need to enter the Pro Shop, the starter will have your card. However, the Pro Shop will be open to supply your golfing and apparel needs.

### **After your round**

Proceed directly from the 18<sup>th</sup> green to the scoring area. Please observe proper distancing between the players and the scoring volunteers.

From the scoring area go directly to your vehicle and store your clubs.

The restaurant and bar will be open at 11:00 am on Saturday and Sunday with a burger and side provided on Sunday.

You are encouraged to be aware of the occupancy of the restaurant. If we keep in mind that there is another group expected at approximately an 11 minute interval and moderate our stay to ensure that they have seating available everything will work out nicely. At this time the weather forecast indicates that outdoor seating will be possible and this will greatly ease the pressure. If this changes and outside seating is not possible we need to be very vigilant in order to make sure that everyone has their turn.

Everyone acting in a cooperative and courteous manner while observing all of the current distancing regulations should guaranteeing a good time for all this week end.
